Days of Sparking Waters
Nights of Falling Stars

MERMAID

Capt. Alison Osinski

Additional Boating Experience

- Sailboat deliveries along the Pacific Coast ranging from Puerto Vallarta, Mexico to Monterey, California
- Nine day transit of the 35 locks of the Erie Canal from near Buffalo / Niagara Falls to Albany / Hudson River (2017)
- Mission specialist for a day aboard the research submarine Antipedes with Oceangate and the Undersea Voyager Project . We dove to a depth of 747 feet east of Ship Rock, Santa Catalina Island. Our dive plan was to: identify ecologically significant targets in two underwater canyons, and collect video and SONAR imaging. (2010)

- Contracted by SASS Sailing Media to be the Bud Light Lime boat in San Diego for the Summer and Fall of 2010
- Race crew member (fore staysail trimmer) aboard the 1930's schooner Skookum III (2008, 2009)
- Sailed aboard Molokai, a Harmony 47 in 2013 in the Caribbean: Saint Martin, Sint Maartin, Anguilla, Prickley Pear Cay, Isla Tintamarre.
- Sailed aboard China Doll in the 2009 Sail Sea of Cortez Week races.
- Skipper (6 times: 2003, 2004, 2005, 2006, 2007 and 2010) Newport to Ensenada International Yacht Race
- Sailed as a crew member aboard Pacific Bliss in the Sail Asia Rally 2005 – Darwin, Australia through Indonesia to Bali
- Sailed aboard Pura Vida in the 2007, and Serenity in the 2008 Baja Ha-Ha from San Diego to Turtle Bay – Bahia Santa Maria – Cabo San Lucas, then assisted with the boat deliveries through the Sea of Cortez to San Carlos / Guaymas in mainland Mexico
- Contracted by California Cruisin' (2003 - 2005), Harbor Island Yacht Club (2005 - 2007), Broad Reach Sailing (2005 - 2006), and Classic Sailing Adventures (2007) to run afternoon charters, whale watching trips, and captain corporate regattas in San Diego Bay and nearby coastal waters
- Established Mermaid Charters (2001 - present), a division of Aquatic Consulting Services, to provide keel boat and cruising catamaran sailing lessons, boat handling skills and safety drills, instruction in navigation and rules of the road, boat deliveries, day sailing trips and Pacific Ocean cruises off Southern California and to the Channel Islands.
- Thousands of days of sailing experience in the Caribbean, Atlantic, Pacific and Indian Oceans, Coral Sea, Sea of Cortez, and Great Lakes.
- The Crew's Nest – Lake Erie - Put-in-Bay, Ohio. (Summers of 1975, 1976). Worked for a yacht club "The Crew's Nest". Took sailing lessons, helped do boat deliveries back to the mainland, and spent at least 1 day per week exploring the Lake Erie islands.
- University of Maryland - College Park, MD. Graduate Teaching Assistant – Canoeing Instructor. Taught canoeing classes Fall 1978, Spring 1979, Fall 1979, Spring 1980 semesters, 2 – 4 days per week, 16 week semesters, 2 –3 classes per

day. Once per semester, I ran the “Tour of the Monuments” canoe trip on the Potomac River.

- Crew coach, George Washington University, 1978 through 1980 seasons.
- Camp Tegawitha - Mt. Pocono, PA (Summer 1973). Small craft instructor and aquatic camp counselor
- Water skiing - recreational. Experienced with a variety of ski equipment, para sailing, and PWC in diverse water settings.
- Retained by the San Diego Police Department Mission Bay Harbor Patrol Unit (1986) to provide advice on boating safety, swimming and rescue skills needed by police officers give responsibility for patrolling Mission Bay.
- Spent a summer (1983) in western Africa (Republic of Mali) – traveled by ferry, barge and dugout canoe up the Niger River to Timbuktu.
- Sailed as a crew member aboard the tall ship Californian from Dana Point, California to Hilo, Hawaii; and from Sausalito to the Farallon Islands
- Cruised Alaska's inside passage by ferry; explored small Alaskan towns and Glacier Bay National Park by kayak.
- Spent several weeks (in 1992, 1998 and 2005) on a variety of boats exploring, fishing, and SCUBA diving on the Great Barrier Reef, Australia.

Expert Witness Boating – PWC – Towables & Water Skiing Cases

Retained as a consulting expert or expert witness to work on boating, PWC, towables & water skiing accident cases:

Consultant to: **Shook & Stone**
 Location: 710 S. 4th Street
 Las Vegas, NV 89101
 Year: 2022
 Involvement: **Lynch v. Hernandez.** Plaintiff. Inexperienced and intoxicated operator of a rental PWC collided with another PWC causing multiple blunt trauma injuries and killing the passenger on the craft he was overtaking.
 Reference: John Shook, Esq.
 (702)242-5129, jshook@shookandstone.com

Consultant to: **Bremer, Whyte, Brown & O'Meara**
 Location: 21215 Burbank Blvd., Suite 500
 Woodland Hills, CA 91367-7092
 Year: 2022

Involvement: **Li Wen Sa v. El Dorado Irrigation District, A Current Adveture.**
 Defendant. Woman fell on the pier and broke her elbow as she disembarked from a rental canoe while holding an open umbrella.
 Reference: Eileen Gaisford, Esq.

 Year: 2009
 Involvement: **Miller v. Kinsella**. Plaintiff. Mr. and Mrs. Miller were out for a dinghy ride in Glorietta Bay on the 4th of July, 2006 and heading to the Coronado Yacht Club for the festivities, when a 16 year old man shot a high pressure water cannon right in Mr. Miller's ear, "blowing out" his inner ear. Defendant claimed the Millers were in a "soak zone" and you assume all risk of getting wet.

Involvement: **Bell v. Montz, and Mastercraft.** Plaintiff. Boating accident on Lake Oroville in Northern California. Boat was a 24-foot, open bow, Mastercraft X45 with 18 people on board. The operator was trying to tow a wake boarder, couldn't get up on a plane, so he had 8 passengers move forward to the bow. When the operator slowed the boat after the wakeboarder fell, several passengers, including the 19 year old plaintiff washed off the boat. The operator drove in a circle and ran over two women in the water. The plaintiff suffered numerous injuries from coming in contact with the prop injuries, including brain damage.

 Year(s): 2004
 Involvement: **Bucci v. Seaforth.** Plaintiffs. Four teenage girls visiting San Diego from Rye, NY went to Seaforth to rent a boat. The girls told the Seaforth employee that they had no experience with boats or tubing. The Seaforth employee attached the tube, gave the girls a few minutes of instruction on how to use the boat, told them it was okay to ride double, and told them how to get to the ski area in Mission Bay. After stalling out, calling and waiting for help that never arrived, the girls were able to get the outboard re started and began tubing. A short time later, the operator lost the ability to steer the boat and ran over the two girls in the water. Injuries included skull fractures, brain damage, spinal injury, and massive cuts.
